Merry Christmas!! To Students and Faculty: As the world sits to quiet faster each year, it is more significant each year that we pass and reflect on the birth of Christ. The birth of Christ is the most important event of the year. In fact, the month of December is named after Christ. His wish, penned in 1944, is for you to remember:

"Let your heart be com- placently contented and the peace of heaven rest upon you, and you shall have all that is good for all of us."
