Large Weekend Audiences See 'Mac of Scotland' Close to 8,000 people turned out for the opening performance of "Mac of Scotland" presented at ASU's auditorium at the State University Center. Among the audience were 331 high school students who were present at a matinee performance. A slight increase in the audience is expected at the evening performances.

Bryton Brooks Flies For Peace In 1929

Grant For Peace Given in 1929

The 1929 Cowleswood is scheduled for March 18 and 19. Here is the story of how it started.

By BETTY BROOKS

The news in the city these days is that the Cowleswood is scheduled for March 18 and 19. Here is the story of how it started.

The idea for the Cowleswood came to Dr. B. E. Cowles, president of the University of Idaho, a few years ago. The Cowleswood is a project that was started by Dr. Cowles, and his idea was to bring together all the students from the different colleges of the University to participate in a program that would benefit both the students and the university.

The Cowleswood is not a competition, but a series of events that are designed to bring the students together and to encourage them to participate in the life of the university.

The Cowleswood is scheduled for March 18 and 19, and it will feature a variety of events, including lectures, workshops, and performances. The events will be held at the University of Idaho and will be open to the public.

If you are interested in attending the Cowleswood, you can find more information on the university's website or by contacting the office of the president.

Debate Team Does Well At Tourney

The University of Idaho and 10 other universities will compete in the annual Debate Tourney sponsored by Phi Delta Theta at McCalla, O. Paul, Wm. Wheatley; H. Cummins, Europe; March 3.

The tourney is a highly competitive event that brings together students from schools across the country. The participants will compete in a variety of debates, including political, social, and international topics.

The University of Idaho team is expected to do well at the tourney, and they will represent the university with pride. The team is made up of experienced debaters who have won several prestigious awards in the past.

The tourney will be held at the University of Idaho on March 3, and it is open to the public. If you are interested in attending, you can find more information on the university's website or by contacting the office of the president.
Sure Suggestions
To Win Top Grades

(AGP) — Following are 10 questions for the Harriet (New York) expression of the school library, as to how to stay in line:

1. Bring the professor enough paper and study guides, especially if he or she is a particularly active or inquisitive professor. These papers will ensure that you are always on the professor's radar and will greatly increase your chances of being called on to participate in class discussions.

2. The professor may not notice that you are not present for class. If you miss class, make sure to bring a note written by the professor or by a classmate. This will ensure that you are not penalized for your absence and will give you an excuse to miss class.

3. If you do not complete homework assignments, make sure to bring them to class. This will show the professor that you are prepared to participate in class discussions and that you are committed to learning.

4. Attend class regularly. This will ensure that you are present for all class discussions and that you are not penalized for your absence.

5. Make sure to bring up to date with the reading material. This will ensure that you are prepared to participate in class discussions and that you are committed to learning.

6. Take notes during class. This will ensure that you are present for all class discussions and that you are committed to learning.

7. Keep a notebook and bring it to class. This will ensure that you are present for all class discussions and that you are committed to learning.

8. Make sure to bring a copy of the textbook to class. This will ensure that you are present for all class discussions and that you are committed to learning.

9. If you do not understand a concept, make sure to bring it to class. This will ensure that you are present for all class discussions and that you are committed to learning.

10. If you do not understand a concept, make sure to bring it to class. This will ensure that you are present for all class discussions and that you are committed to learning.
Sigma Chi Set Dance; More Initiations Are Held

A Greek Step Dance will be featured at the annual Sigma Chi Kappa-Delta exchange — something new in the costume流行的活动。

Information still holds the spotlight with many house initiatives, including a Graduation Dance at the White Horse on Friday. This week's slate includes a large-scale event with the Sigma Chi Kappa-Delta exchange, which will feature a Greek Step Dance. The event will be held on Friday night, and tickets are available at the door for $5.

The dance will feature performances from both Greek and non-Greek organizations, with a focus on showcasing the rich traditions and culture of Greek life at the university.

On March 3, Secretary Brodhead, who was suspended for the last two months for "inappropriate behavior," has returned to campus. He will be attending classes and attending meetings with the fraternity. The incident has sparked a number of discussions about the role of fraternities in the university community.

On March 4, Alpha Phi's fundraiser, the annual "Dance for a Cause," was held on the campus. The event featured a variety of performances, including dance and music performances, and raised money for various causes.

On March 5, the Alpha Chi Omega chapter hosted a "Dance for a Cause," which raised money for breast cancer research. The event featured a variety of performances, including dance and music performances, and was attended by a large crowd.

The Alpha Chi Omega chapter has been active in a variety of initiatives, including a recent fundraiser for breast cancer research. The chapter has also been involved in a number of community service projects, including a recent event to clean up a local park.

At last year's event, the chapter hosted a "Dance for a Cause," which raised money for a variety of causes. The event featured a variety of performances, including dance and music performances, and was attended by a large crowd.

Sheep Men Slate Are Now Available On Game Biology

Northern Illinois University's sheep research is being suspended due to a lack of funding. The research, which has been ongoing for several years, has been focused on the genetics and physiology of sheep.

However, the suspension of the research has prompted a number of concerns among animal welfare groups. The suspension of the research has also raised questions about the future of sheep research in the United States.

A number of organizations, including the American Society for the Prevention of Cruelty to Animals, have expressed concern about the suspension of the research. The organizations have also called for increased funding for sheep research in the United States.

The suspension of the research has also raised questions about the role of animal research in the United States. The suspension of the research has also raised questions about the future of sheep research in the United States.

The suspension of the research has also raised questions about the role of animal research in the United States. The suspension of the research has also raised questions about the future of sheep research in the United States.

The suspension of the research has also raised questions about the role of animal research in the United States. The suspension of the research has also raised questions about the future of sheep research in the United States.

The suspension of the research has also raised questions about the role of animal research in the United States. The suspension of the research has also raised questions about the future of sheep research in the United States.

**4-9 With WSC**

Less than 1000 people witnessed the Vandals' hitters in their final appearance as a collegiate athlete inside the Kibbie Court on the College Cougars after suffering an earlier setback at WSC last month. But the Hogsette had come from behind in the last half of the evening to split the doubleheader, and the final score was 9-2 in the franchise's favor.

The Hogsette scored the tying run in the sixth inning, and three runs in the seventh to win the game. Hazell, who had been held to one hit in the earlier game, contributed a double to the Hogsette's ninth-inning rally. The Hogsette's final run came on a single by Hazell, who had been held to one hit in the earlier game.
