Executive Board Disapproves Football Game Proposal

In the last meeting before orientation activities begin for the new freshman newcomers, the Executive Board Tuesday night denied a request to grant a $5,000 grant to the Idaho State University Football Club for use in Moscow.

The proposal was submitted by Jim Miller, the president of the Idaho State University Football Club, who is a member of the Executive Board.

Mr. Miller said that the students felt the need to upgrade their facilities and equipment and the Executive Board agreed to provide them with a grant.

However, the Executive Board denied the request after a discussion with Mr. Miller, who is also a member of the Board of Governors.

Mr. Miller said that the Board was disappointed in the decision and that they will continue to work with the Idaho State University Football Club to find other ways to fund their activities.

In a statement released after the meeting, Mr. Miller said: "We appreciate the support of the Executive Board in the past and we will continue to work with them to find other ways to fund our activities. We believe that we can provide a valuable service to the university by providing a team that is competitive and that is a source of pride for the students."
Idaho Tracksters Prepare For Cougar Meet March 17

The Vandals and Irish track squads are well into their final week of training in preparation for their first meet, the Washington State Indoor Invitational Meet on March 17.

The initial meet comes this same time at the University of Idaho at Pullman, and will be followed by the annual Husky Track Meet on March 18 at the University of Washington. The meet will be held in the Yakima Valley Yakima College. Eastern Oregon College, Central Washington College, and the University of Idaho.

Attend two track meets this week, and you will be a风景画 fan or a victim of the wind.

"I know," he said. "I think so. I mean, I think that the next time we run the half at 5:30 or 6:30, we'll have the same kind of margin.

Of course, the Vandals will be the only team to run the half at 5:30 or 6:30, but Mr. White, who has been averaging 14.3 points a game, will be in the half at 5:30 or 6:30, and will be the only half to run that margin. Mr. White is considered one of the best second half runnners we've seen, and he's been in Olympic races.

Mr. White was not sure if he would make it to themargin, but he said he was planning to run the half at 5:30 or 6:30, and he would be running the half at 5:30 or 6:30.

"I'm more than happy to run the half at 5:30 or 6:30," Mr. White said. "I think I can run the half at 5:30 or 6:30, and I think I can run the half at 5:30 or 6:30."
