MR People

A lot of talk has been tossed around by the candidates in the last two weeks alluding to their backgrounds and qualifications. Who of them has won this IQ game of putting on the best show? Anyone who says they are from any university or anywhere is giving you a false sense of respectability. If you look deep into the background of the candidates you'll find that they are not as knowledgeable or as qualified as they claim to be.

The University of Idaho's President Mr. Craig Ross, who is a member of the Board of Regents, has been a member of the Idaho State Legislature since 1968. He has a Bachelor's degree in Business Administration from the University of Idaho and a Master's degree in Business Administration from the University of Idaho, University of Oklahoma.

Construction On Schedule

Constructions is progressing on Grand Teton National Park's buildings which will provide facilities for approximately a 2,000 persons tourist season. The main projects are the existing Yampa Valley Inn and the new base camp on top of the Mountain Bunkhouse. Work is expected to be completed by mid-July. Additional construction is planned for the new Snake River Building.

The Forestry and Natural Resources department is also planning a new building for the Forest Service Operations Building. The building will be located on the outskirts of Grand Teton National Park and is expected to be completed by the end of the year.

Talent Show Applies Due

Applications for individual and group show are on file at the Grand Teton National Park headquarters. The talent show will be held on the Friday night of the annual park festival.

The annual talent show competition will be held on Friday night. Participants are encouraged to submit their applications as soon as possible.

New Council Works Well, Claims Mix

By LANA LANDON

A D. R. A. F. B. or American National Park Association has been formed to represent the needs of the Association's members. The new council will meet on a regular basis to discuss issues affecting the Association.

The new council is expected to meet on a regular basis to discuss issues affecting the Association.

Inn To Sunday Meal

Now on your way to the Grand Teton National Park, you'll find a wonderful variety of restaurants and cafeterias to choose from. From casual coffee shops to fine dining restaurants, there's something for everyone.

The Inn To Sunday Meal will feature a variety of live music, entertainment, and local artisans. This event is open to the public and is free of charge.

22 Students Chosen For Dean's List

Twenty-two students have been chosen for the Dean's List at the University of Idaho. These students have achieved an outstanding academic record and are recognized for their achievements.

Forestry Bldg. Serves Many, Remodels, Makes New Plans

By JERRY ROBBIE

The Forestry Bldg. is a vital component of the University of Idaho's campus. It is a place where students, faculty, and staff come together to learn and share ideas.

The Forestry Bldg. is undergoing a major renovation. The new plans call for an expanded library, science labs, and additional classroom space.
