 Предприятия все более активно вовлекаются в программу E-Board. В декабре было проведено десятидневное мероприятие, цель которого - улучшить процесс организации и проведения мероприятий. В результате этих мероприятий была создана большая группа студентов, которые теперь уже самостоятельно организуют и проводят мероприятия. Это привело к значительному улучшению процесса организации и проведения мероприятий.

Программы всех уровней обучения были значительно улучшены. Вдохновленные успехом, студенты стали более активно участвовать в мероприятиях, что привело к повышению качества предоставляемых услуг.

Следующее мероприятие будет состояться в начале следующего года, и мы уже планируем провести его на более высоком уровне, чтобы сделать его еще более интересным и полезным для студентов.

Preparations For Pre-Game Rally Have Been Completed For Tonight

A team of students, led by President of the College, Mary Smith, have been working on the preparations for the pre-game rally. The team has been meeting regularly to discuss the details and make sure everything is in order.

The rally will feature speeches, music, and games. The speeches will be given by some of the college’s most popular professors, and the music will be provided by a local band. The games will include a variety of activities, such as a scavenger hunt and a relay race.

The rally is open to all students and will be held in the college’s main quad. It is expected to attract a large crowd, and everyone is encouraged to come and join in the fun.

In addition to the activities, there will be a food booth with snacks and drinks available. The food booth is being run by the college’s student union, and all proceeds will go towards the college’s student scholarships.

Preparations for the rally have been completed, and the college is looking forward to a successful event. The college administration has expressed its gratitude to the team for their hard work and dedication.

Golden Fleece
By Ellen Ostellher, Jason 79

Soap Box
Jason is choosing the decision of Senator Hart right in extending their action to require certain news space which is now specified in the laws given by Jim English. The report, as adopted, read that the Senate Journal should go to the floor and be reviewed by Communicators Board, and any recommendations concerning that journal should be followed through this body following the chain of such recommendations from the ASCC.

The entire Argonaut staff commends the board on their forthrightness and willingness to cooperate with us in giving proper notice to Jim English’s concerns with their board, which will be published in the ASCC regulations. It is an open question which problem would ordain ideally with any emotional substructure.

Wildcat Problem
The Argonaut staff has had a problem with the publication of all the news space which has been historically given to the Argonaut’s editor or editor-in-chief, the editor who was followed by a wildcat on a look out studying the ms. Miller wrote a letter to a newspaper editor which mig...
April and The Truth Summary

The Agony and The Power of an inhuman Fly

Drama: Four characters, one setting, one day

From the age, the student's drama club and the editors of the school newspaper. The drama is about a student who is told he has cancer and must leave school to receive treatment. The drama explores themes of love, loss, and the challenges of facing death.

World's Fair Exhibits at U-M Museum

The history of the World's Fair is on exhibit at the U-M Museum of Art. The exhibits include artifacts from the 1867 World's Fair in Paris, the 1873 World's Fair in Vienna, and the 1876 World's Fair in Philadelphia. The exhibits showcase the history of world's fairs and their role in shaping global culture.

Happiness Is... For The U of I

A U of I student, Happiness is... having a job, earning money, and having a high GPA. The student also enjoys spending time with friends, going to concerts, and traveling.

Chairmen's Club

Meetings are held on the first Tuesday of each month. The club is open to all male and female students. For more information, contact the club advisor.

Engineering Opportunities

Senior engineers are needed in the following areas:

MECHANICAL
- Thermal, Fluid, and Turbine Components
- Nuclear Engineering
- Metallurgy and Precious Metals

CHEMICAL
- Process Chemistry
- Separation Processes
- Environmental Engineering

ELECTRICAL
- Power Electronics
- Control Systems
- Telecommunications

For more information, contact the engineering department.

CAMPUS INTERVIEWS

WEDNESDAY, NOV. 16

Appointments should be made in advance through your College Placement Office.

Pratt & Whitney Aircraft

Mr. Chapman will interview on campus November 15, 16
191st Year Celebrated by U.S. Marine Corps

Marines have amplified their role with various distinctions, winning new honors in many areas. The Corps has demonstrated its uniformity in a variety of ways. On November 14, 1971, a Marine Corps award was presented to the Commandant, General John F. H. Hatt, of the Corps.

The award was presented to the Commandant, General John F. H. Hatt, in recognition of his outstanding service to the Corps.

The presentation ceremony was held at the Corps headquarters in Washington, D.C.

The Corps has maintained its tradition of excellence, winning awards and recognition for its contributions to the nation and the world.

The award ceremony was attended by military and civilian leaders, as well as members of the Corps.

The Corps continues to be a symbol of strength and excellence, serving as a model for other organizations around the world.

College Bowl Plans Set

Plans are underway for the 1972 College Bowl tournament, according to Dr. L. E. C. D. Smith, chairman of the tournament committee. The tournament is a continuation of the college bowl's tradition of excellence, and is expected to attract teams from across the country.

The tournament will feature teams from various colleges and universities, with each team competing in a series of games.

The College Bowl is a testament to the wisdom of Our Age, and is expected to attract a large audience of spectators.

Post Mid-term Exams
Grades Analysis Given

GAPC — College students upward are consistently exercising about their grade point average, yet the implications of the GPA’s seems to be questioned more than all the signs, says the

Herald, Western Math.

U. University, Lansing, Michigan.

The most recent findings were based on a study of more than 2,000
students between the college grade point average and progress

increase.

The two studies were conducted among fellow students in

Colburn, Columbia University, and among a group of

students, the first class, students who had graduated with

highs, were exclusively made or were elected to Phi Bete

Honor’s more likely to be found in the "student professional" type, those students who

made themselves in such ways.

The second study showed a minor inductory but merely found there was as much in the amount grade point average in medical school and the physician’s degrees.

Two factors, however, decisions as to whether a college graduate is at least mostly on the grade point average are more relevant for this.

The implications of current information on these two factors are explicit.

The grade point in the old system was in the amount, but in the new, more than one...
Student Paper Names Problem

The Associated Students took over the publishing of the paper after receiving complaints from the former editors who felt that they had been denied the opportunity to continue their publication. The editorial board of the paper had been forced to resign, and they were unhappy with the new management. The ASU staff had worked hard to create a successful publication, and they felt that they were not being given the credit they deserved. The new editors were inexperienced and lacked the knowledge and experience necessary to run a successful student publication. The new paper was not up to the high standards that the ASU staff had set for themselves. The situation was unprofessional and frustrating. The ASU staff was unhappy with the new management and felt that they were not being given the responsibility they deserved. They were concerned that the new editors were not up to the task and would not be able to maintain the high standards that the ASU staff had set for themselves.

New Insecticides Developed by U-Scientists

A new insecticide recently prepared for use by a group of U.S. scientists, Professor Jacob Froman, professor of entomology at the University of Arizona, is now in final trials in the control of the potato potato. The new insecticide is simple to use and is effective against a wide range of insect pests. It is a water-soluble compound that can be applied to the soil or sprayed on the leaves of the plant. The insecticide is safe for use around children and wildlife. It is also effective against a wide range of insects, including aphids, beetle, and caterpillars. The insecticide is expected to be available for sale in the near future.

Isotope Engine Pioneered by Romero

In a recent experiment, a group of U.S. scientists, led by Professor James Froman, professor of physics at the University of Arizona, has successfully used an isotope engine to produce energy. The engine is based on the principle of isotope separation, which involves the separation of isotopes of a given element. The engine is simple to use and is expected to be available for sale in the near future.

First Blow Against A-Bomb

The first successful test of a nuclear bomb was conducted by the U.S. government in 1945. The bomb was designed to be used as a weapon of mass destruction. The bomb was dropped on the Japanese city of Hiroshima, and it caused widespread destruction and loss of life. The bomb was also used to drop on the city of Nagasaki, and it caused widespread destruction and loss of life.

Idaho Republican Presents Analysis Of Tuesday's Election Outcome

By ROBERT BISH

Amprep Campaign Coordinator

The Idaho Republican Party released its analysis of Tuesday's election outcome on Wednesday. The party's analysis is based on a review of the election results, as well as an analysis of the candidates and their platforms.

**Vandelees Choose New Marchers**

Vandelees tapped off graduates in their last week, announcing Peter Alston Weatherford of Fort Collins, Colorado, as the new marcher. Although the new marcher is to carry the flag, the tradition of a military band accompanying the marchers continues. The new marcher, David Weatherford, is a member of the university's Army ROTC program.

Accounting Club to Meet Monday night at 7:30 in the Student Center Ballroom. The guest speaker will be William Ammons, director of Finance and Administration for the University of Idaho. The meeting is open to all students interested in accounting.

Co-salad may be served to inmates in Ynez Nau, addressing the needs of the university's Native American student group. The event is scheduled for 11 a.m. on November 16 in the Kibbey Engineering Laboratory.

**A Time For Burning** Scheduled On KUID

The management of Idaho Journalists, a new student group, has announced the first meeting of its season, to be held on Friday, November 17, at 12:30 p.m. in the Idaho Journalists' office, located in the Journalism Building.

Boeing Company employees are invited to attend a special meeting of the Idaho Journalists' Association to be held on Friday, November 17, at 12:30 p.m. in the Journalism Building.

For those interested in learning more about the Idaho Journalists' Association, please contact the Idaho Journalists' office at 234-3191 or visit their website at int.journals.idaho.edu.

**Empleoyment U.S. Central Intelligence Agency**

A representative will interview graduate students and professionals on the University of Idaho Campus.

**Campus Interviews, Thursday and Friday, November 17 and 18**

Times and locations for these interviews are as follows:

- Thursday, November 17:
  - 9 a.m. to 12 p.m. in Room 202, Administration Building
  - 1 p.m. to 4 p.m. in Room 301, Science Building

- Friday, November 18:
  - 9 a.m. to 12 p.m. in Room 202, Administration Building
  - 1 p.m. to 4 p.m. in Room 301, Science Building

For more information or to schedule an interview, contact the Office of Career Services at 234-3191 or visit the Office's website at career.idaho.edu.

Musaabe Readies "Mac" Onslaught

A chance to break a four-game losing streak, relieve thousands of fans in front of a home crowd, and stay in running for second place in the Big Sky Conference up found the University of Idaho Montanas football team Saturday at 1:30 p.m. at MacAfee Field. The Vandal coaches are hoping that the Aztecs will be too fatigued from their 1-11 game winning streak and their win in the Idaho Bowl.

The Vandals will square off against the Grizzlies in the Snake River Bowl on "Dad's Day" and the Idaho State Bobcats the following Wednesday. The Idaho Bobcats are 1-11 and the Vandals are 1-12.

The Vandals will try to win their first game of the season against the Idaho State Bobcats the following Wednesday. The Idaho Bobcats are 1-11 and the Vandals are 1-12.

Hass Increases Lead In Big Sky Rush Race

Montana's Dante Hall had a big day, breaking the school's rushing record, in a dominant 45-14 victory over Oregon State. The Vandals led 14-10 in the third quarter, but Montana rallied to take control of the game, scoring 21 unanswered points in the fourth quarter.

Big Sky Schools Set Title Clash In Cross Country

The Big Sky Conference cross country championships were held on Saturday, with Montana's Dante Hall winning the men's race and Montana State's Montana领先 women's race.
