Coeds May Vote Thursday For 1964-65 AWS Officers

University women will vote Thursday for new officers of the Associated Women Students 8 a.m. to 4 p.m. in the Administration Building.

Because of the long and the interest of the American Federation of Women's Organizations, the support that the AWS can give to the university will be increased if there is a new slate of candidates.

Congratulations on all the hard work students. We have just received our report card, and we have a lot of ideas on how we can do more of this work. We have worked with AWS for a year and the students have been very helpful in settling up business for AWS.

In the primary election held last night in the dormitory, Miss Reitman and Miss Brown were the candidates for the position of president of the Associated Women Students.

The one who will win the election will be announced in the morning edition of the Daily Pennant.

Miss Reitman said she will carry on the work of the present officers and the election will be held in the evening edition of the Daily Pennant.

Classes To Divide Pole Cost

Should you pay for the cost of the pole or should you divide the cost of the pole among the classes? Some students feel that the cost should be divided among all the classes, while others feel that the cost should be divided among the students who use the pole.

Pole less expensive

The latter is what is being considered by the Associated Women Students.

"The cost will be divided between the classes on the basis of the total number of students in each class," said Miss Reitman.

"This will be based on the number of students in each class and the number of classes."
