Plumbers Back To Work

U-I Construction Projects Resume

Plumbers and plumbers working on the University of Idaho campus have returned to work after a brief strike. The union and management have reached an agreement on a new contract.

Enrollment Falls Short

Predictions for the fall enrollment at U-I indicate a shortfall of 100 students compared to last year. The dean of admissions said that the decrease is due to a combination of factors, including a lower high school enrollment in the area and a shift in student preferences.

Book Sales N500

The book sales for the spring semester were N500, which is 10% below the previous year. The dean of libraries said that the decrease is due to a decrease in the number of registered students and a decrease in the number of books purchased per student.

() 11, a year before the first official issue of the magazine. And while it may have been a bit late, it was definitely worth it! The magazine has grown in popularity ever since, and now has a steady readership of dedicated fans. I'm happy to be a part of this amazing adventure, and I'm looking forward to seeing what comes next.

Best regards,
