Rain Delays Work on Tennis Courts
Project Will Be Finished Soon if Weather Permits

Better weather has delayed the campaign against the tennis courts for the last two weeks. Contractors expect to complete the work as soon as possible. The courts are located near the rear of the school. The work is expected to be completed by the time the school opens.

New Field of Specialisation

Open in English Department

This term a new departmental focus has been added to the curriculum of the Boise State Teachers College. English majors have been given the opportunity to specialize in the study of the English language and literature.

Professor Kriz has been making plans for the new department and has been working with the students to plan a curriculum that will meet their needs.

Professor Kriz has come from Chicago and is currently working on a new textbook for the English department.

The new program will be offered in the fall of this year and will be taught by Professor Kriz.
