William T. Tilden 2nd to protect his throat, smokes Luckies.

"The voice is essential to stage work and its care one of the actor's greatest responsibilities. During the course of some of my stage appearances, I am called upon at intervals to smoke a cigarette and naturally I have to be careful about my choices. I smoke Lucky Strikes and have felt to get the slightest effect upon my throat. I understand that toasting from this cigarette is just as effective.
