DADDY ALBERT is overjoyed to have a whole string of little gophers nearby. In fact there are so many enthusiastic supporters of the doll that Daddy Albert has decided to participate in this beauty pageant.

Texas has been chosen for the contest for many reasons. In fact, the whole state has been chosen for the contest because of the climate. Texas has a tropical climate, more muggy and rainy weather than those of other states.

The Texas gophers have been specially trained to be just as attractive as possible. They have been taught to eat and drink on cue, and to wear their national costumes. The gophers will be judged on their beauty, style, and ability to walk on their hind legs

Activity for the next two weeks will be partly in the hands of Delta Gamma, since there is a lot of work on the agenda for them. Delta Gamma is responsible for the annual Sigma Alpha Chi Rally on October 30th. They will be selling tickets for the event, which is set to begin at 7:00 p.m. The rally is expected to feature a variety of activities, including a costume contest and a dance. Delta Gamma is also responsible for the Delta Gamma Dance, which is scheduled for November 12th. The dance is expected to be a fun and lively event, with music, dancing, and refreshments.

LEAFLEAP TACTICS AT JUNIOR MIXER

The leafleting campaign is in full swing, with leaflets being distributed throughout the community. The leaflets contain important information about the upcoming election, including the names of the candidates and their positions on various issues. The campaign is being coordinated by the leafleting committee, which is made up of volunteers from the Delta Gamma sorority. The committee is working hard to ensure that as many people as possible receive the leaflets.

SUNDAY DATES ARE A NEW YORK TILL 9 O'CLOCK

The event is being held at the Delta Gamma house, and tickets are available for purchase at the door. The event will feature music, dancing, and a live auction. The proceeds from the event will go towards supporting a local charity.

A Comprehensive Showing of Accepted Fashions for Spring

Those who look to this store for guidance in rightness, not only in style correctness, but for exclusiveness, quality and modestness in price, will find each factor fully expressed here at this time.

Nearly 1000 Spring Dresses

Probably the largest showing of Spring 1928 dresses and coats in the whole state of Idaho. You are sure to see many you'll want in such a wide selection.

Exclusive Styles -- Individually Chosen

All garments selected for Idaho girls by Ann Ellinbehe Bessy who is in New York each day. As the new styles appear, Miss Bessy chooses the first for David's,—a large city service.

Moderate in Price -- Every Garment

No matter how low or how high the price each garment is marked at a low margin of profit—much lower than one will find in the larger cities.
