“The Cream of the Tobacco Crop” for Lucky Strikes says Tobacco Buyer

“No article can be better than tobacco to produce a fine product, you must begin with fine materials. The finest of the tobacco crop, ‘The Cream of the Crop’ goes into LUCKY STRIKE Cigarettes. I know, because I buy the Tobacco for this brand with this ideal before me.”

UNDoubtedly Under Pressure From Some of the Better Winning Conditions Was the Result of Saturday Afternoon’s Most Intriguing Contest, the binaries dominant moment when the top trio of the Vandal line-up, Kit Morrison, second from the left, Bob Davis, third from the left, and Pete Manlove, first from the left, coupled on against the top trio of the cougars, Glenn Miller, second from the right, Bob Williams, third from the right, and Harry Kight, first from the right. At the end of the contest the Vandal trio had scored five goals and held a lead of five on the cougars.

“Ideal temperature today and a slight breeze blowing during the match was not enough to cool things down. As a result of this, the players kept on going, no time was lost and the match was over in a very short time.”

CREIGHTON’S

Quality sent P.A.
to the head of the class

YEARS ago, P.A. showed a clear pair of heels
to the field of smoking-saloonists. It has main-
tained its lead ever since putting more distance
behind it every year. There must be a reason
why P.A. is the world’s largest-selling brand.
There is! Open a tidy red tin and you get a full
breath of that class-by itself fragrance. Then
taup a load into the bowl of your pipe and light
up. The first puff tells you why more men
smoke P.A. than any other brand. Cool and
smooth and mellow and mild—not for one
pipe-load, but always. Try this long-burning
smoke, fellows. You’ll say so.

PRINCE ALBERT
—the national joy smoke!
