OLYMPIC RECORDS FOR WOMEN

The women's Olympic records for track and field events were set on Wednesday afternoon at the Olympic Games in London. The records are as follows:

100 yards dash: 11.3 seconds
400 yards dash: 55.2 seconds
800 yards run: 1:56.3

Green, but it has been a long time since you've had any real Tutus or Chumley. Try some Bob's Tumacidea and Chile.

THE TANK-TRASHED LOOK

After the D-Day landings, every American soldier in Europe sported a pair of khaki trousers, often with a tin hat on top. This trend continued until the end of World War II. The tank-trash look was characterized by its practicality and durability.

...with their feet on the ground

MEN of vision. Yes. But don't cover up the fact that those old Russia road builders and empire builders kept their feet firmly fixed on the ground. They faced the facts squarely. They were not demoralized for detail. They were the world's finest organizers. Pioneering the telephone industry is like that. It is a work of vision and of leadership into new fields. But back of all must be the ability to organize men, material, and machines. The telephone executive must coordinate his machine before he can run it. He must understand the possibilities in his organization before he can lead it. That done, his opportunity is immense, wide, vision—broad ambition—determination—
Navy Men's Group House is Divided into Two Leagues; Single Elimination

By ROBERT ALLISON

The military men's group house, which is now divided into two leagues, with a single elimination tournament, has been set for Thursday afternoon, with the two leagues being named "A" and "B."
