Meete Irene... A LITTLE BIT OF

SPICE AND SWEETNESS!

You've heard all about the women who have

been doing it. Now we have a new one.

This little lady, known as "Little Lady"

has been getting around town lately.

She's been seen in many places,

including the drug store, the library,

and even the mayor's office.

She's got a nice personality,

and she's always happy.

But what makes her special is

her love for animals. She's been

spending a lot of time with the

dogs and cats at the animal shelter.

She's been helping to raise money

for their food and supplies.

We hope you'll join us in giving

a little bit of spice and sweetness

to the world. Happy Holidays to

you all!

"OLD BIRDS are not caught with new ones."
"What's a hot cheap brand?" is a question that has been asked by many smokers. And the answer is, "A hot cheap brand is not worth it."

To millions of smokers, Chesterfield comes in an old story—but it's one they never tire of. For why do they want it exactly what Chesterfield puts? Because Chesterfield's way is the only way. Chesterfield is the only way. Chesterfield puts it in that way—"TASTE above everything!"
