There are mines and minerals—nothing like diamonds, but Westerners have enjoyed the Blue Diamond. Their secret would pretty surely—just a few miles south of the Blue Diamond, which may have been part of a larger deposit, may have been sold by some good old-fashioned "Grand Night and Left." Also several other leaders were named but given different names.

Senator Judd Saturday will meet at the annual dinner and formal dances which have been the custom of the town since Tuesday. And now that examinations are over and forgotten, the students have turned their attention to formal dances and spring.

Among the interesting events scheduled for this week-end are two formal dances by Beta Theta Pi and a dinner dance given by the upperclassmen of Delta Chi. An informal dance will be given by Pi Beta Phi, with Professor Ortega presiding something well entitled "Alfai de Cordero."}

This week's game against Montana, which will take place in the
State capital city, will be interesting to the
score fanatics and the Jimmy John fans will
be interested in seeing how the brand new field in the
State capital city of Missoula will compare with the
other fields the teams have played on.

Western State College had their first conference game last week as they
traveled to Missoula. The fans in Missoula were
in a jubilant mood as the home team was
strongly favored to win.

On Saturday afternoon the two teams met and
the game was played with a great deal of enthusiasm.

The program was

MAPLE CHURCH CHATTER

Missoula fan boys will be great this year. They have been
very successful in the past and this year they have
spent a great deal of time and money in
preparing for the season. They have
been practicing very hard and are
expected to do very well.

The games will be held on
Saturday afternoons at 2:30 and on
Saturday evenings at 8:30.

The Idaho game will be played
on Saturday afternoon, and the
Washington game will be played
on Saturday evening.
