**SLEEPER SAM**

**Needy Folks—There have been deals and fanges for various things in the past. This time it is not the usual sort of deal. But, you quite doubtless know that the deals are getting more and more restricted. The whole world is being swept along by this new merchandising, and we are being kicked on the bottom by it.**

**MADAME MELIA, in New York City, says: There are many restrictions being put on the sale of good things. The price on the things you buy is getting higher and higher.**

**HERE'S A BIG-HEARTED GENTLEMAN—**

**There is an interesting story of a standing offering that I'll let you in on. At the Twenty-Fifth Annual Convention of the American Association of the Blind, in New York City, there was a dining room where the delegates gathered. One of the delegates, a blind man, offered to pay for the meal of any other delegate who had no money.**

LESSONS in the NEW Psychology

Comencing Monday, February 17th, Dr. Frank B. Robinson will conduct evening classes in the study of the New Psychology. One lesson will be given to each of the following subjects:

These lessons are intensely interesting as the discoveries of the New Psychology go right to the very heart of being.

The price of this course of instruction is $15.00. The balance of $10.00 may be paid by the lessons.

Five dollars must accompany the application and are given. Should any student of this course on completion not find it worth more than it’s cost, such student may request and will receive the entire tuition fee back again.
