UNIVERSITY WORK

Placed in College Stadiums

"Flame Flowers," by Beth Nightingale, was produced for the high school on Home Rule Day.--The Idaho State Fair, which was opened September 23, featured a large exhibit in the Idaho State College building. The exhibit included many of the best agricultural products of the state, as well as a large display of livestock. The fair was attended by thousands of people, who enjoyed the various exhibits and activities.

"Flame Flowers," a tale of the sea, was produced by the school's drama club. The play was well received by the audience. The production was directed by Mr. Nightingale and was a success.
