HOPES DWINDLE FOR 2000 MARK FIRST TIME IN HISTORY

Students in Residence Total

2017; Two Thirds

For the first time in the history of the University of Washington, the number of students in residence has dropped below the 2000 mark. Last year, the number was 2040.

Getting to the university, students must now take a bus from the city limits. This has caused some inconvenience, but it has also helped to promote a sense of community among the students.

SLEEPER SAM

O-HELL-O—Well, now that the new year was celebrated, the new semester is under way, and Sam’s mind is again settled down to the normal routine. The only thing that makes a question to us is the origin of the new semester: If the month of March is usually chosen, why should it be chosen this year? Of course we call it the new semester, but it seems good and important to celebrate it, especially in the 19th century, for even they had to have a place in the old calendar.

Coach gave the assignment of the basketball program to either John Smith, of the freshman class, or Charles Brown, of the junior class, for the coming season. Smith was selected for the position, and Brown was informed that he would be sent to the junior class. Smith is expected to make a good showing in the new season, and Brown is anxious to try his hand at college basketball.

Perhaps it's because you lack the force and vigor that are part of a pleasing personality. That's largely a matter of proper eating—keeping the old insides in good working order. Make Shredded Wheat a part of your daily menu. Plenty of bread for a cheerful appetite, and carbohydrates for strength and energy and minerals for a good complexion and healthy teeth. Dive into a bowl of Shredded Wheat and milk each morning—or last thing at night for late supper. You'll find the rushing easier—and the rush more responsive!
