Vandal Quinet BEATEN BY O. S. C. IN TWO BATTLES

Scores of 27 to 24 and 40 to 6 made against Idaho

by william holman

The report from the state board of education, released Monday afternoon, was not particularly encouraging for the present and future educational plans of College. Although the reports were in the hands of the proper authorities, the board members were not available for immediate comment.

Both games were played on College grounds, the two teams playing for the championship of the state. Although the Quinet team was defeated, the game was considered a hard-fought victory.

The first half was played by the Quinet team, and the second by the O. S. C. team. The Quinet team was led by Willard, who scored 27 points. The O. S. C. team was led by Tomlinson, who scored 40 points.

The game was played in good spirits, and the crowd gave the Quinet team a hearty cheer.

Student Government

The Student Government of College made a number of announcements last week.

The annual election of officers will be held this week, and the new officers will be announced next Monday.

The Student Government will hold its first meeting of the year next Monday at 7:00 p.m. in the Union Hall. All members of the Student Government are urged to attend.

The Student Government has made arrangements for a series of guest speakers to be brought to College during the year. The first speaker will be Dr. John Smith, who will speak on the subject of "The Future of Education." The date and time of the meeting will be announced later.

The Student Government has also made arrangements for a series of social events to be held during the year. The first social event will be a dance to be held next week in the Union Hall. The date and time of the dance will be announced later.

The Student Government would like to remind all members of the student body that the Student Government is here to serve them and to make their college experience as enjoyable as possible. They are encouraged to attend the meetings and to participate in the activities of the Student Government.

An important issue facing the Student Government is the question of whether or not to increase the fees paid by the students. The Student Government is currently considering this issue, and members of the student body are encouraged to express their opinions on this matter.

The Student Government would like to thank all members of the student body for their support and cooperation, and to encourage them to continue to participate in the activities of the Student Government.

Delta Tau Delta Grants Charter to Local Group

Beta Chi is granted National Fraternity Chapter after seven years of last local fraternity on campus

A large group of fraternity members gathered on the steps of the administration building Monday afternoon to hear the news that Delta Tau Delta had been granted a charter by the national fraternity. The news was received with great enthusiasm by the fraternity members, who were long overdue for a charter.

The fraternity has been working hard to fulfill the requirements for a charter for the past seven years. The fraternity has been denied a charter three times before this year, but the members have not been deterred. They have continued to work hard and are finally being rewarded.

The charter was presented to the fraternity by the national fraternity on Monday afternoon. The fraternity members were presented with a charter and a set of symbols, which included a flag and a set of pins.

The fraternity will hold its first meeting at 7:00 p.m. on Monday night in the union hall. All members of the fraternity are urged to attend.

An important issue facing the fraternity is the question of whether or not to increase the fees paid by the members. The fraternity is currently considering this issue, and members of the fraternity are encouraged to express their opinions on this matter.

**COMPETITION IS KEEN**

**Squad Has Been Working in Lewis for Past Three Weeks**

Idaho's sturdy tracksters are raising the end of the season this week, and with plenty of running in store for the Vandals before opening the final events of the year, they will be ready for the competition.

Idaho tracksters have been working in Lewis for the past three weeks and have been getting plenty of work and should be in fine shape when they arrive here for their meet with Stanford. The Vandals have been running on the track during the week and have been working in the field to get ready for the meet.

**Nothing small about this work**

Reaching out to the far corners of the earth for rare materials of telephone apparatus, is a Western Electric function in the Bell System.

To assure adequate sources of supply, men engaged in this work of mass purchasing continually search the entire globe. To buy wisely, they study all factors affecting prices—economic and labor conditions, transportation facilities, freight rates—on a world-wide scale. Each year their purchases, worth millions of dollars, include such diverse products as platinum from Russia, bauxite from India, asphalt from Venezuela, flux from Belgium and France.

In all, a vast and fascinating task. For men of keen business judgment, the opportunity is there!
