**SLEEPER SAM**

O'HELL—The time has come for the sleepers, boys, to think a little more of the world than they have been doing. The story they could read for some time now is that we can remember all things that happened in our lives. All the changes that have taken place will be fresh in our minds. Halt the time that we can remember all things that happened in our lives.

**CHANGE**

Dont take our word for it, switch to CAMELS for just one day then quit them if you can.

The moment you open the package you'll note the difference between fresh humidor packed CAMELS and dry-as-dust cigarettes. CAMELS are smoke yet 5mm. to the touch, stale, dried-out cigarettes crumble and crakle when pressed. But the real convincon is to smoke CAMELS. Every puff is a sheer delight of cool, mellow Mildness; the Camel blend of chosen Turkish and mellowest Domestic tobaccos, kept in prime condition by moisture-proof Calliphone sealed airights.

The above not the six high point events will be in the running towards the Mural Race. In fact, the winner this year will be determined by the sum of these six events. There are only two weeks left in the year's schedule, though, so the winners may be determined by the way they stand now, and still might be determined by the way they stand in the coming weeks.

The end of the Mural Race is Saturday, May 5, at the varsity meet against Montana State College. The team with the highest point total will be the winner.

The Mural Race is an annual event between the Alpha Chi Omega and Beta Theta Pi fraternities. The teams compete in six events: tennis, golf, bowling, track, swimming, and basketball. The team with the most points at the end of the year wins.

The Alpha Chi Omega fraternity has traditionally been the stronger of the two teams, and is expected to win this year as well. However, theBeta Theta Pi fraternity has shown improvement in recent years and is expected to make a strong showing in the final event.

The tennis tournament was held on Tuesday, May 1, with Governor's Club winning the event. The golf tournament will be held on Thursday, May 3, and the bowling tournament on Friday, May 4. The track Meet will be held on Saturday, May 5, at the varsity meet against Montana State College.
