Bishop Lowe will Address Student Assembly Monday

Will Base His Talk On Experiences Gained In Singapore

"The Missionary Under the Missionary," Bishop Lowe's subject Monday night before the student assembly, is a special appeal to young people of the University. Bishop Lowe has been on a mission in the Far East for three years. His talk is expected to be one of the greatest hits of the year. He will be aided by slides taken during his stay in the Orient and his experiences gained on the mission field.

The Kelso dinner was held on Thursday evening in the Kelso dining room. The dinner was well attended and the cuisine was praised by all. The menu consisted of a three-course meal, including a salad, a main course, and a dessert. The atmosphere was lively and the conversation flowed freely.
White Solves An Old Problem

The problem of what to do with students who are not satisfied is really simple. Several of them didn’t do as well as the seniors have already taken the exam. But the problem of what to do with those who are not satisfied is really difficult. We will not attempt to solve it, but we will try to make a change by offering the following solution:

For those who do not pass:

- Allow them to retake the exam.
- Offer a retraining program.
- Encourage them to seek alternative education.

For those who want to improve:

- Provide additional resources and support.
- Offer study groups and tutoring.
- Encourage participation in extracurricular activities.

In conclusion, while the problem of student satisfaction is complex, there are steps we can take to address it. Let’s work together to create a more successful learning environment for all students.

More Wool than Print and Very New!

These frocks are our idea for putting new life in the old wardrobe.

We'll all be wearing woolens through Spring if the fashion authorities have their way—but they will be woolens with some strikingly different feature to make their newness unmistakable. Like these with blouses and bodices in intriguing Spring prints. "Can you think of a more enjoyable brightener for now and for Spring?" And the prices make it easy for you to have one. Sizes 14 to 26.

“Lucky” Gill, O. B. C. frontman for the Idaho Falls baseball team, got a great deal more than his usual reward from the prize jar at the store. He not only won the jar, but was also chosen for a team of baseball players that will be selected for a barnstorming tour of the state. Gill is a member of the Idaho Falls High School baseball team, and was chosen because of his outstanding performance during the season.

The Vanish left yesterday for a trip around Washington. Though new to the field, the Idaho Falls baseball team is expected to fare well in the Pacific Coast League. The team is scheduled to play games in Seattle, Portland, and San Francisco.

Only five more games remain on the Vanish schedule. Another interesting contest takes place today, when the Idaho Falls team will play against a team from Ogden in a contest that will be broadcast over the radio.

Tommy Witty, catcher and center fielder for the Vanish, is expected to be a key figure in the team's success. Witty is a skilled player and has a strong arm, which will be a valuable asset to the team.

The Idaho Falls orchestra is scheduled to perform two concerts this week, on Wednesday and Thursday. The concerts will be held in the Idaho Falls High School auditorium, and are expected to draw a large crowd.

The recommendation was submitted in the group of meetings three weeks ago, and was referred to the editorial board for approval. The recommendation was approved on the advice of the chief of the state's health department.
