Delta Sigma Rho rejected the honorarium of a frat man for his contributions to the fraternity. The fraternity decided to honor him in a more appropriate manner.

HEAD OF COLUMBIA DEFINES EDUCATION

J. L. P. A. - Dr. Walter M. Price

Educating is a great adventure. It is the process of teaching and learning, of discovering and applying knowledge. It is the process of bringing about a change in the individual, for the better.
PROFESSOR PROVES USE OF MONEY IN PREHISTORIC AGES

California Professor Writes Surveys on Use of Money For Exchange
P. F. P. — A new paper by Professor Lastan, in which he discusses the role of money in prehistoric times, was published recently. The professor notes that money has been used in societies for thousands of years, and that it is not a modern invention.

GIVE PRESIDENT HIGHEST RATING

"Most Satisfying Phenomenon in Money," Professor Lastan says in his paper. He notes that the use of money has been a source of satisfaction for many people, as it allows them to acquire goods and services that they need.

ENLIGHTENED MEN DISREGARD COOKS

Cook: Lost Cooks on the Road Up to Counting on Human Beings to Take Care of the Rations
P. F. P. — The enlightened individual must take care of the rations. Cooks are not necessary. When the individual takes care of the rations, the group is more efficient.

W. A. N. R. S. T.,
Dean French Approves Plan of Holding Matinee Dances

A new way of entertaining the students in residence was introduced on Tuesday by the residence hall committees. All hall committees will have their programs Wednesday, Thursday, and perhaps Friday. Each committee will use the residence hall auditorium for their entertainment and thus have a chance to attract students from other dormitories. These events should prove to be both enjoyable and educational to all interested.

Four Initiation Dances Will Be Given This Week-end

George Washington's birthday was celebrated by the newly-elected officers of the Women's Social Students Union. The event included the presentation of citations to all the newly-inducted members.

Society

FADS AND FABRICS

Olympic

The ancient Greeks preferred soft, white, woolen garments—why not the modern Greeks? At Davids, the modern interpretation of the ancient Greek costume is being offered. The costume is made of closely fitted shoulders and bright metallic trimmings. It is made of heavy wool, both knee and floor length, and comes in the ever-popular white, in eggshell, light tan, dusty rose, or sea green. This color is likely to be the most popular this year.

Mortar Board Will Present Spring Styles

Models to Be Presented During Tea at Hays Hall

W.A. Officers to Take Office Next Thursday

Will Be Sworn In At An Annual Basketball Spread

Coeds Send And Receive Gifts From Unknown Parents

Mystery Mothers Conceive Identity

THREE CENTER LINES SELECTED FOR THE NEW SCHOOL YEAR

THREE CENTER LINES SELECTED FOR THE NEW SCHOOL YEAR

The three center lines selected for the new school year are:

1. The new center lines are designed to improve safety and reduce injuries.
2. The lines are made of durable material that will last throughout the year.
3. The new center lines are wider than the old lines to provide more room for students.

CONFERENCE RACE IS STILL CLOSE

Both Huskies And Cougars Have Chance to Win

Title

Northern Division I, Washington
Washington
