SCHOOL OF MINES GRADS IN DEMAND

Less Than Half Enough Academic Courses Offered to Fill Positions

Graduates of the Idaho School of Mines are in demand in the western part of the country. Business is not nearly so good as it was in the boom time, but there is a demand for engineers who come to the school from many parts of the country.

At the University of Idaho, K. A. Thoms, dean of the college, stated that the number of students who have been admitted to date is 12. In addition, there were ten students who were enrolled in the regular course. The cummulative total for the year is 18. The number of students who were enrolled in the regular course is 12. In addition, there were ten students who were enrolled in the regular course.

NAME ATHLETIC COMMITTEE U. I.

Ralph Breshears of Boise, Idaho, was appointed president of the University of Idaho athletic committee. The committee will be responsible for the operation of the school's athletic programs.

Sidelights of the Game

Seven thousand spectators, and undoubtedly the entire Idaho team, were expecting Idaho to forward past Oregon in an attempt to score on a home field. It was only in the second-half of the game that the Idaho team was able to play at their best. By the time the Idaho team was able to score on the Idaho-Montana game, it was already too late to catch up with the other teams.

How to Study

A New Compact Made Specifically for Idaho Girls $1.50

When we were recently offered the opportunity to study a compact—especially the new powder and rouge—we wanted it immediately. The compact was sent to us after the latest news that the Idaho girls were using it. It is a compact that is made especially for Idaho girls, and we can now see that the Idaho girls are using it.
