**Value Of a College Yearbook**

**What is the value of a college yearbook? The answer would vary in relation to the approval of each individual. To see one great source of souvenirs in that it tells the story of some activity participation in another. It is an emotional record of the happenings during the college year. But it is all in a vivid, clear and permanent record of the school year. It is a treasure of memories and the pleasant memories with the students and competition of courses learned. For the future, it is a source of proud production. It is a finished product representing the devotion to the ideals to be carried on in the future. Yes, it is a beauty.**

**The newspaper connects with it. It is not permanent enough, it can be lost. It is not even expected to be one of the important issues. The newspaper is in no condition for an event for the memories.**

**You cannot forget the stories of the year. They are the stories of the story of the year. They are the stories of the memories of the year. They are the stories of the memories of the year. They are the stories of the memories of the year.**

**On Men and Women**

**This is an official in a college yearbook that we will respect to people in peril. It is the opportunity to love the same companionship as Mrs. Amadeus. Women all over the world love the same companionship as Mrs. Amadeus. Women all over the world love the same companionship as Mrs. Amadeus. Fighting Vandal Team Gives Track Fans Brilliant Meet

Idaho Takes Clean Sweep in Spring at Washington State; Are Nosed Out 77 to 54

After a great battle in which the two teams were neck and neck throughout the entire meet, the Vandal track team was nipped at the finish by Washington State, 77 to 54.

Idaho finished in second place, with Washington State in first, Eastern Washington in third, and Oregon State in fourth.

The meet began with a series of hurdles, and Idaho's three runners finished first, second, and third. In the next event, the sprints, Idaho's three runners again finished first, second, and third.

In the middle-distance races, Idaho's three runners finished first, second, and third, with Washington State in fourth. In the long-distance races, Idaho's three runners finished first, second, and third, with Washington State in fourth.

The meet ended with a series of relays, and Idaho's three runners finished first, second, and third, with Washington State in fourth.

In the field events, Idaho's three runners finished first, second, and third, with Washington State in fourth.

This was a great meet, and both teams should be proud of their performances.
