we are actually busy shipping trees. This season we will ship over 100,000 trees to all parts of Texas. Most of them go to the northern part of the state, and if they are properly kept, they will make good trees in about five years. The Woodlawn is a good variety, and makes the best tree for our climate. In the spring we plan to have a special sale of these trees. It will be a good time to get them, as the season comes around. We will be open daily from 8:00 a.m. to 5:00 p.m. All of the seed for these trees comes from Europe.

The most popular style tree is the maple. There are many kinds of this tree, and they are planted in many parts of the world. This season we have shipped over 50,000 maple trees to all parts of the state. They are all hardy and will grow well in our climate. All of the seed for these trees comes from Europe.

VANDAL SUPPORT

Old Idahoe students need to be reminded that the Vandal basketball team will play its first pre-season game here next Thursday against the University of Washington. The game will be played in the gymnasium when the Vandals appear on the floor. We hope that many of our old students will be able to come and see the game. The Vandal spirit of sportsmanship and loyalty to the team. The Idaho Vandals, whatever their success may be, belong to us. They represent the best of what Idaho can produce. Whether they win or lose during the season, the Vandals will be giving all they have to give, and we should be glad of the opportunity to see them. We hope that the student body will respond by supporting them with an undivided loyalty and enthusiastic band.

Christmas Carols

The students of the University of Idaho will be observing a beautiful and inspiring tradition when they meet next week to sing Christmas carols in the small gymnasium of the old Idaho Public School building.

The trees and wreaths of the academic year will vanish in the glimmer of a single candlelight service. The light will be beautifully colored and matched by the music of these carols of the past, Christmas carols. Under their charm, memory will turn back the wheels of time and events of the old Idaho Public School will come again. Singing these carols will bring the spirit of Christmas to the Idaho campus and to the hearts of all who listen. It will add a dimension to everyone's life. The student body should be eager to offer the faculty and the staff all cheerful and encouraging support.
