Reheartened Vandals Will Battle Wedgefoot Tonight

By Howard Elgin

It will be a reheartened Vandals team that will battle against the
triumph of the witnesses for the 2nd Annual of the
time-honored rivalry tonight. Intrasquad practice
of the Bulldogs resulted in a team that, in the opinion
of the coaching staff, will be capable of making a
valiant stand against the mighty Wedgefoot.

The Vandals are led by the spectacular 300-pound
Bill Black, who has been given the honor of carrying
the team's banner into the battle. Black's presence
on the field is sure to inspire the other members
of the team and to make them feel that they are
fighting for a cause that is truly worth fighting for.

The Wedgefoot team, on the other hand, is led
by the dynamic 300-pound center, who has been
given the honor of carrying the team's banner into
the battle. This center is known for his strength and
agility, and is sure to make a formidable challenge
for the Vandals.

The game is scheduled to start at 8:00 p.m.
tonight, and will be played at the Idaho Stadium.
Tickets are available at the box office, and are
expected to sell out quickly.

The Vandals are sure to make a strong showing,
and there is no doubt that the game will be one of
the highlights of the season. So come and watch
as the Vandals take on the Wedgefoot in what is
sure to be a thrilling battle of titans.

The "Frazel Walter" were all tested
for some type of running for the team
and that's why they're still on the
scoresheet. The team is now
beaten into a pulp by the rest of them.

Informal Dances, Private Parties Entertain Students.

Although the Formal is the social event of the term, in recent weeks students have shown a preference for less formal social events. The Alpha Pi sorority sponsored an informal dance in the student lounge of the University Dormitory at 9 p.m. Saturday night, and the Delta Delta Tau sponsored a dance for their members in their dormitory. In both cases, the students differed from the usual formal attire, and in general, the convivial atmosphere was enhanced by a less formal dress code.

"Your recent reviews enable to determine the true worth of any article. We are delighted to find that your appreciation of our new spring line of clothing is shared by your readers."

One of the latest and most popular garments is the "Spring Sheath," a light, airy dress made of a mixture of silk and wool, which gives it a smooth, elegant appearance. The design is simple and tasteful, with a high neck and long sleeves. It is available in several colors, including pink, blue, and green. The price is $25.00. UP POPS A SPRING CROP OF FASHIONS

Something has happened to necklines! And to sleeves! What has happened to make this spring's dress styles so different from those of last year, so individual and more strikingly individual than we expected? We are not sure, but the fact is that the dresses we are seeing now are not only more stylish, but also more comfortable to wear.

Next was the catt. We knew that fine tobacco burns hot but it became too fast. You could hardly hold your pipe in your yard, it got to hot at times. So remembering how folks used to "whittle" their tobacco we cut GRANGER just like "whittle" tobacco--though Cat. It smokes cooler, lasts longer and never gums the pipe.

---right process---cut right. So we put Granger in a sensible soft foil pouch instead of an expensive package, knowing that a man can't smoke the package.

GRANGER has not been on sale very long, but it has become a popular smoke. And we have yet to know of a man who started to smoke it, who didn't keep on. Folks seem to like it.
