When Musicians Think

For no other reason than that they did not feel like it, the Idaho Pop band refused to take part in the student rally held yesterday, sponsored by Mr. Copland, the band leader. The rally, which was planned to be a final farewell to the students, was held at the music building. However, the students did not seem to mind and continued to sing and dance to the music of the Pop band.

Notice of Failure to Re-open

Posted at 5:30

The McNeice Bank, located at 617 First Street, closed last Friday night with a reported loss of $2,500. The bank had been in operation for nearly ten years. The cause of the closing is unknown at the present time.

Shake-up in the bank's financial affairs has caused a strike of the employees. The strike started yesterday morning and is expected to continue until further notice.

The bank's deposits are insured by the Federal Deposit Insurance Corporation. However, the loss of $2,500 may cause some inconvenience to the bank's customers.

Two Dances Occupy Social Attention During Week-end

After a exceptionally busy week, as this week was, with Montana State's Splitter's Ship and the annual autumn dances, social activities seem to have slowed noticeably. There will, however, two more interesting dances featured over the weekend.

Delta Chi will entertain its guests at its annual Senior's Dinner Dance tonight at the chapter house. All members will be expected to arrive before 8 o'clock and the doors will close at 8:30. For the benefit of those who are late, the doors will be left open until 8:45. Food will be served at 9:00, and dances will be held in the gym until 11:30.

Kappa Tau's Annual Fall Dance will be held tonight at 8 p.m. at the house. The theme will be "Parisian Nights" and all guests will be expected to arrive before 8:30. Food will be served at 8:30, and dancing will be held until 11:30.

It’s fun to be fooled
...it’s more fun to KNOW

This “three-handed woman” trick goes
way back to the early days of magic.
Also old in the suggestions that pro-
tection for your throat and freedom from
eating through some magic trick.

The EXPLANATION: The easiest eige-
nette on your throat is the cigarette that is
made from the choice, ripe tobaccos.
Cheap, rough tobaccos are, as you
would naturally expect, harsh in the
throat. Fine, costly tobaccos are mild,
flavor—gentle. The question is whether
a cigarette is made from cheap tobaccos
or the more expensive grades.

It is a fact, well known by
leather tobacco experts, that
Cigarettes are made from finer, MORE
EXPENSIVE tobaccos than any other
popular brand.

American men and women have smoked
more billons of Cigarettes than any other
brand because of the appeal of high
quality tobaccos and mildness blending.

Won’t you stack up your own experience
with a cigarette made from mild, quali-
ty tobaccos—against magic claims about
"Gentility and your throat"?

Try Zeeke Camel—in the air, righted
Hummard Pack that seals the
frenshness and coolness, the mildness and
flavor of Camel...inside.
