wishes to express their appreciation to these merchants who through their support have contributed so much to the success of the paper.

These merchants, in turn, wish to thank the students for their patronage and wish them a most enjoyable vacation; hoping those who finish will meet with success and those who do not finish will all return next fall.

**WILL INFLATION HELP ASKS GENTLEMAN JIM***

We had some very good work done on our end in the past week, but we are beginning to feel the pinch of inflation. We have had to raise our prices on some items, and we are trying to find ways to reduce our costs. We are also trying to find new suppliers who can provide us with more affordable options.
