Start Hilarity At Mixer on Thursday

"You can expect anything—absolutely anything Thursday afternoon." This was the forecast given by the observant warning given by the casually dressed students who gravitated to the Idaho Argonaut for the annual mixer.

"This campus is going to be 'hog wild' Thursday afternoon. We are going to have a real wild time and a real wild evening. It's the annual mixer and everyone is expected to be there."

The mixer will be held in the Idaho Hotel and will start at 7:30. The students will be divided into groups and each group will have its own private room. The groups will be led by the university band and the music will be provided by the local radio station. The food will be provided by the local restaurants and the drinks will be provided by the local bars.

The mixer will be a huge success and everyone is expected to have a great time. The students will be able to meet new people and old friends and have a lot of fun. The mixer will last until 11:00 PM and people are expected to have a good time.
