Large Band Features Senior Music Revue

Class Concentrates Talent and Ability to Present an Unusual Musical Treat; Ames is Director of Show

The largest stage band ever presented at the University of Idaho has been announced for the musical revue program. This band will consist of 100 students and will be directed by Professor William Locke, professor of music at the University of Idaho, and will be accompanied by a full orchestra of 60 members.

The program will feature a variety of musical numbers, including jazz bands, choruses, and soloists. The program will also feature a special segment on the history of the University of Idaho, with a focus on the contributions of alumni and former students.

The show will be presented in the University of Idaho's Cline Auditorium, and tickets will be available for purchase at the door.

Press Information

The event will be open to the public, and tickets will be available at the door. The show will begin at 8:00 PM, with doors opening at 7:30 PM. For more information, please contact the University of Idaho's Office of University Relations at 208-888-7500.
Six Spring Dances Held Last Week-end

As Commencement draws closer the campus is filled with activity and shows a face of anticipation and excitement. Among the most popular of such activities are the spring dances which were held at the Delta Delta Delta house on Wednesday night, the Alpha Phi house on Thursday evening, the Alpha Chi Omega house on Friday night, and the Delta Phi Epsilon house on Saturday night. The first dance was well attended, all of them looking forward to the other two dances with great interest.

Alpha Phi Spring Dance

The Alpha Phi dance was held on Wednesday evening in the lovely garden which is surrounded by beautiful flowers. The music was provided by the orchestra of the Chico Chordettes, and the refreshments were served by members of the sorority. The guests included many members of the A.P. A., and some from other sororities. The dance was a great success and everyone had a wonderful time.

Alpha Chi Omega Spring Dance

The Alpha Chi Omega dance was held on Thursday evening in the beautiful garden which is located behind the sorority house. The music was provided by the orchestra of the Chico Chordettes, and the refreshments were served by members of the sorority. The guests included many members of the A.O., and some from other sororities. The dance was a great success and everyone had a wonderful time.

Delta Phi Epsilon Spring Dance

The Delta Phi Epsilon dance was held on Saturday evening in the beautiful garden which is located behind the sorority house. The music was provided by the orchestra of the Chico Chordettes, and the refreshments were served by members of the sorority. The guests included many members of the D.P.E., and some from other sororities. The dance was a great success and everyone had a wonderful time.

Incoming Spur's Elect Officers

Henry Hines, a President of the Woman's Business Organization, was elected to the offices of President, Vice President, Secretary, and Treasurer.

Mermaids Hold Water Contest

Women's Swimming Club held a water contest on Friday afternoon in the swimming pool. The contest was a great success and everyone had a wonderful time.

Women Players Get Audience

Women's baseball is proving to be one of the most popular sports on the university campus. At the next home game, which is scheduled for next week, the team will be playing against the university's arch-rival, the Men's Baseball Team.
Vandals Go on Hitting Sprees as Spears Pitched Tight Ball to Down O. S. C.

O. S. C. Defeats Idaho In Track Score is 76-55

In a track meet that featured the Idaho Vandals against Oregon State University, the Vandals emerged victorious with a score of 76-55. The meet took place in the beautiful outdoor setting of the University of Oregon's track and field facilities, where the athletes competed in a variety of events, including sprints, hurdles, and relay races.

The Vandals were led by an impressive performance by their distance runners, who showcased their endurance and speed, dominating the middle and long-distance events. The relay team also contributed significantly to the overall score, with smooth hand-offs and lightning-fast times.

On the other hand, Oregon State showed resilience and determination, particularly in the jumps and throws events, displaying their strength and agility.

The atmosphere was electric as the sun shone brightly, casting a warm glow over the track, and the crowd, comprising students, alumni, and the local community, filled the stands and added to the excitement of the event.
