Cupid and Night Watchman Declare Armed Truce

Cupid and O. O. Nibbitt, although not as famous as their predecessors, have been operating for several years. Every Valentine's Day they have declared war on all married and engaged couples. Their methods are quite original:

- Cupid fires arrows into the hearts of lonely virgins who are attacked by love without their consent.
- Nibbitt, disguised as a jade cocktail server at local bars and restaurants, makes advances to women, especially those who are wearing or carrying something red or pink.

Cupid and Nibbitt have been successful in winning many hearts. However, their methods are not without controversy. Many couples have suffered emotional damage as a result of their actions.
