Junior Week Program
Is "All Set To Go"

Will Be No Parade, Rules Calendar Committee; Harlem Is To Be Theme

Why lean to Adams? Why dress with color to the industrial side of Idle-Elmwood's orchestra when all is said and done? Why have the beauty pageant last month on the KUJH (610) radio? The answer to all of the above may be found in the Junior Week celebration starting Thursday afternoon, April 12, with the programs both on the radio and on the University campus. (The theme is "Harlem is to be Harlem").

Leaves to the calendar committee there will be no parade. As a result of the discussions, four different activities have been planned for the coming week. These include a beauty pageant on the Radio (KUJH, 610), a basketball game, a football game, and a community rally. Time tables for the activities are as follows:

- Beauty Pageant: Thursday, April 12, at 6:00 p.m. on KUJH
- Basketball Game: Friday, April 13, at 7:00 p.m.
- Football Game: Saturday, April 14, at 7:00 p.m.
- Community Rally: Sunday, April 15, at 4:00 p.m.

Campus Party
Complete Roster

Only Nominees Made
To: Date; Deadline

TUESDAY, APRIL 10

Student Recital
To Be Sunday

Music Department
Presented By: Auditorium

No Charge

The Music Department presented a student recital on Sunday, April 15, at 8:00 p.m. in the Auditorium. The recital featured a variety of musical performances including vocal, instrumental, and choral pieces. The program was well-received by the audience, who praised the performers for their talent and dedication.

Two Advancements, Appointment
Made in Dairy Husbandry

Two advancements and one new appointment in the dairy husbandry department were announced by Dr. M. G. Hanks, president, following the meeting of the faculty at 10 a.m. on Thursday, April 12.

- Dr. F. B. Wooters, extension specialist in dairy husbandry, was appointed to the faculty of the University of Idaho.
- Dr. W. J. McLean, extension specialist in dairy husbandry, was appointed to the faculty of the University of Idaho.
- Dr. J. P. Persons, extension specialist in dairy husbandry, was appointed to the faculty of the University of Idaho.

The advancements are effective July 1.

New Head Explained

The new head of the dairy husbandry department is Dr. F. B. Wooters, who has been appointed to the position. He succeeds Dr. W. J. McLean, who was recently appointed to the position of head of the dairy husbandry department at the University of Idaho.

Dr. Wooters has had wide experience in all phases of dairy husbandry, and has been associated with the development of the dairy industry in the Pacific Northwest for many years. He has been actively engaged in research and teaching in dairy husbandry, and has made many contributions to the field.

Dr. Wooters has been actively engaged in research and teaching in dairy husbandry, and has made many contributions to the field.

dairy husbandry. He received his master's degree in dairy husbandry from the University of Idaho, where he is a graduate student. He has been associated with the dairy industry in the Pacific Northwest for many years, and has been actively engaged in research and teaching in dairy husbandry, and has made many contributions to the field.

The advancements are effective July 1.
Hawkeye On Duty

Once more your editor creeps back on the job with a new batch of gags and cartoons. We see by the case of the Assailant that by next Tuesday we will have know the culprit or elsewhere. The Assailant is terrible, and we would suggest that all笨手笨脚 come on the front of the room and get a window, in spite of what your AMF promises, drama cannot short-circuit a good story. It is bound to happen in the best planned pantomime.

The last paragraph is of special interest to you. It seems that if you have had enough work and are taking nothing or nothing at all, we are going to have to remove your memory to let you know that happened last week in order to keep things going. Here is the paragraph again. Right now you are holding not one of my ideas. Last week we saw BASSU HAMIT filling the role of a Mexican in the show. If you are not as smart as I am, you don’t know what is in store for you. The writer.

HEALTHY NERVES!

The most practical hickory is the hickory tree. It is the only tree that can grow on any soil. It is also the only tree that can grow in water. The hickory is a very hardy tree. It is not afraid of cold weather. It is also very hardy. It can grow in any soil. It is the only tree that can grow in water. The hickory is a very hardy tree. It is not afraid of cold weather. It is also very hardy. It can grow in any soil. It is the only tree that can grow in water. The hickory is a very hardy tree. It is not afraid of cold weather. It is also very hardy. It can grow in any soil. It is the only tree that can grow in water. The hickory is a very hardy tree. It is not afraid of cold weather. It is also very hardy. It can grow in any soil. It is the only tree that can grow in water. The hickory is a very hardy tree. It is not afraid of cold weather. It is also very hardy. It can grow in any soil. Spring Sun Brings Out Best In Vandal Batsmen

Infield Fundamentals and Squeeze Plays Are Being Stressed; Will Play Lewiston Normal Saturday

With the sun shining, the sky clear and the grass green at Shadle Park, the Vandal seniors made easy work of the Cougars and moved into first place in the league. The Vandal batting was good, with three home runs in the game. The pitching was also good, with the Vandal starting rotation leading the way. The Vandal defense was solid, with only one error in the game. The Vandal win moved them into first place in the league.

Tennis Tilt

Start Tomorrow

Some Courts To Be Reserved

Will Be Run on Ladder System

The tennis season is here, and the courts are already crowded. The ladder system will be used to determine the order of play.

Dance

By Phil Harding

A SALUTE to Dan Slade, one of the finest athletes Idaho has ever produced. Charles Stanley Slade, a senior at the College of Idaho, completed his athletic career at the Pacific Northwest summer meeting last week. In four years of wrestling, one at the Southern Branch, Slade has never been defeated. The only time he was ever counted out, 20 pounds above his weight.

Northern intercollegiate champion again defeated the cream of the collegiate class in the 130-pound division, and added to the Vandal wrestling team for one intercollegiate champion in addition to Slade, the all-time record holder in this weight class.

Says Slade

"I am very happy to have won the title," said Slade. "It is a great honor for me to represent Idaho in this competition."

Gridders Practice On Duties

First Scrimmages To Be Held Saturday, Weather Permitting

"We have been waiting for this opportunity," said Coach Clark. "The players are ready, and the weather is perfect. We will practice as long as the weather permits."
**SOCIETY**

**THE social calendar says spring is here and we hope the weather continues to agree.**

The weekend will be a busy one. The delegates to the Intercollegiate Equestrian convention which will be held Friday and Saturday at the Sigma Alpha Epsilon chapter house this week will not be the only ones to enjoy the weather. The Sigma Alpha Epsilon chapter house will be the scene of a dance Friday night, featuring music by the Sigma Alpha Epsilon quartet.

The University of Idaho Equestrian Club will hold the convention at its annual convention this week, with events scheduled at the University of Idaho's Equestrian Club. The convention will include a dressage competition, a show jumping competition, and a team competition.

**W. A. A. BASEBALL STARTS MONDAY**

Women's basketball practice will start Monday, with the first practice to be held in May in the Idaho Athletic Field. The practice will be open to all interested students.

**Kathryn Kennard Recital Monday**

**Cecilia To Be Presented By Music Department**

The university music department will present in a concert recital, Kathryn Kennard, a junior student in the music department, on Monday evening.

**Make The Home Folks Glad On Easter Day**

**SEND THEM YOUR LATEST PORTRAIT**

**HUTCHISON STUDIO**

The studio near the campus is open daily, with special prices to students.

**Dr. J. H. Burgess**

Eye Doctor

**LAZY STRIKE**

**Lucky Strike**

When two is company I don't make a crowd

I'm your best friend

I am your Lucky Strike

Never a bitter, undeveloped top leaf in me. Never a Ginny, tough bottom bud. I use only the fragrant, mellow, expensive center leaves... the leaves that give you the milder, best-tasting smoke. 

Luckies use only the center leaves... center leaves give you the mildest smoke. They taste better.
