Rhodes Aspirants To Be Quizzed
December 14

Ellington, Army, and McCrea Are Leading Dates for Scholarship
Tests Given at Boise

By Richard O'Neil

Boise State College students will have another opportunity for receiving scholarships, December 14, when the Rhodes Aspirants, a group of outstanding students, will meet in the library of the college to discuss and answer questions about the Rhodes Scholarship.

The Rhodes Scholarship is a full maintenance scholarship for postgraduate study at the University of Oxford in the United Kingdom. The scholarship provides the successful candidate with a full maintenance scholarship, which includes all living expenses and books, and a small stipend for transportation. The scholarship is available to any American citizen who is 21 years of age or older, and has completed at least four years of college.

The meeting will be held at 2:00 PM in the library of Boise State College. All interested students are encouraged to attend.

Christmas Special Schedule is Set

Union Pacific Train Will Leave Sunday, December 20 at 4:30 P.M.

The Union Pacific Railroad has announced its Christmas Special Schedule, which will be in effect from December 20 to January 3. The schedule is designed to accommodate the increased travel demand during the holiday season.

The train will depart from the Union Pacific depot at 4:30 P.M. on Sunday, December 20, and arrive at its destination on Monday, December 21. The return trip will depart on Tuesday, December 22, and arrive back at the depot on Wednesday, December 23.

This special schedule is in addition to the regular schedule, which will continue to operate during the holiday season. All passengers are encouraged to make reservations well in advance.

Stoegh's Tissue Growth Theory Revises Old Mitosis Theory

Accepted theories explaining growth of living tissues through mitosis and cell division have been challenged by Dr. Leonid Stoegh, a noted scientist at Idaho University.

Dr. Stoegh has proposed a new theory that challenges the traditional view of mitosis, which involves the division of a cell into two identical daughter cells. His theory suggests that mitosis is a complex process involving the coordination of multiple cellular activities, including cell growth, division, and differentiation.

Dr. Stoegh's theory has been met with both support and criticism. Some scientists have praised his work for its potential to advance our understanding of tissue development, while others have raised concerns about its reliability and accuracy.

Stoegh's theory will be further discussed in a lecture scheduled for January 10th. All interested students and faculty are encouraged to attend.

Ex-NRA Big Shot to Lecture

General Hugh S. Johnson, who served as Assistant Secretary of Commerce and Director of the National Recovery Administration (NRA) under President Franklin D. Roosevelt, will speak at Idaho University on January 15th.

General Johnson will discuss the history of the NRA and its impact on American society. He will also address the challenges faced by the organization during its brief but turbulent tenure.

The lecture will be held in the University Auditorium at 7:30 PM. All members of the community are welcome to attend.

Idaho's Spring Weather

With Narrow Loss To UCLA Saturday

Vandals Out-Guns Bruins (5-4). Long Range Trend Game at Los Angeles

In their last game of the year, the Vandals scored a narrow loss to the UCLA Bruins, 5-4. The Vandals entered the game with a strong show, but were unable to break through UCLA's defense.

The Vandals opened the scoring with two goals in the first period, but UCLA responded with three goals in the second period to take a 4-2 lead. The Vandals managed to add one goal in the third period, but it was too little too late.

The Vandals will face the UCLA Bruins again in their next game, on January 10th. All members of the community are welcome to attend.

Tom Dyer

Men's basketball coach of the Vandals, Tom Dyer, has announced that the Vandals will play a series of home games against division I opponents in the fall. The Vandals will also travel to Los Angeles to play against UCLA in their next game.

The Vandals are currently ranked 10th in the national polls, but are looking to improve their standing in the coming season.
New Life For Intramural Athletics At Idaho

Idaho has set a good mark so far on its way. It has more than 100 men in the gym for the fare of the college students. The beauty of it is that these students are getting a good deal for the pleasure they get on top and together with the sportsmanship others.

So for this year, tennis, basketball and volleyball numbered in this spirit. The numbers have been impressive. Unquestionably, it has done more than the immense numbers that the groups build around themselves. All the little prime clubs and committees between groups have opened their ways to go out of this safety valve.

In addition to this harmonizing effort is an even more intramural sports made out of the vote. A list of the clubs has been opened for the duration and Blanco Thursday. It is printed by the men who wish both teams to be held to the rear. The numbers should be enough, even if they are all for the fewer.

No equipment is complete or well balanced without a radio Ping-pong. The students that is involved in the freshman and sophomore years is not enough. Intramural sports are never meant for

in the spirit of the fun that is there. — W. H.

Gallopin’ Tintypes

KERNETHY

Tuesday-Wednesday-Thursdays, “The Idaho Inns,” starring James Cagny, Pat Oliver, Oliva De Berd, and others.

NU-ART

Starting Wednesday—Special “Aeroplane,” starring Robert Davis, and others.

Two powerful pictures with powerful casts are on the program for this week. The little man’s picture is with plenty of dashing scenery, camera. Cagny, Davis, and others. Millions of feet of celluloid, camera. In Cagny’s and Davis’s films, there is a lot of interest to the private life of a genuine, camera. Interesting, and good-for-nothing. See them. A big hit of the week is the little film which both Cagny and Davis are in love in. One sees far more than he’s worth and all for the fewer.

And there is still without demonstration of both.

“Special Aeroplane” gives us a wonderful different type of story about the underdog man is the Universal Pictures’ up-to-date. The man is the story of the man who has a heart but a brain for success. The man is the story of the man who has the courage to fight against everything and everyone.

The theme of the story is the cause of Al Capone. Litte Dave is cast as the能 readings’ daughter, and is the story of the man who has a heart but a brain for success. The man is the story of the man who has the courage to fight against everything and everyone.

FAMOUS GOLFER'S SAY

CRAIG WOOD (c):- Tommy Armour - Helen Hicks - Gene Austin - Bill McBeth - Danny Moore-Wallace McCallan.

Their success is a result of their determination to master their game. They work long hours, practice hard, and never give up. They are the epitome of what a golfer should strive to be.

You'll Love Their Malleable Toes!

Each has his own unique style, but all share one common trait - they can get up on the greens with relative ease.

So Mild! You can smoke all you want

In every circle of life, physical health is a key factor. When it comes to smoking, one thing is clear: the presence of nicotine can seriously harm your health. It's always a good idea to consider the risks of smoking and make decisions that promote your well-being. Smoking can lead to respiratory problems, heart disease, and other health issues. It's important to make choices that support your overall health.
Morrow and Riddle Win Bouts In Coeur d' Alene

Bill Morrow (left), British Columbia fighter, knocked out D. J. Culver of Idaho in the first round to win the heavyweight championship of Washington state. Morrow, who is also a world champion, won on a technical knockout in the first round. Culver failed to make weight for the bout.

dominate the boxing scene in Washington state. Morrow, who is British Columbia champion, knocked out D. J. Culver of Idaho in the first round to take the heavyweight title.

Riddle, on the other hand, is a lightweight champion. He knocked out R. J. Johnson of Idaho in the second round to win the lightweight championship.

The Washington State Athletic Commission ruled that both bouts were legal and that the decisions were correct. The commissions are made up of three members who are appointed by the governor. The commissioners are: John C. Smith, Howard W. Jones, and John F. O'Neill, all of Seattle.

O'Neill Wins Race By Record Time In Four Mile

The Washington Mailer club held a meet at the University of Washington track yesterday. It was the first meet of the season and the Mailer club won the championship. George-McKinnon boat won the feature event of the meet on the track yesterday. The Mailer club also won the first and second places in the 400-yard dash and the 800-yard dash.
