**BIOLOGY CLUB ENTERTAINED**

Large Crowd Enjoys Social Event Following Homecoming by President Aldrich—Officers Elected.

Professor Aldrich entertained the biology club at his home last Friday evening. There were 55 members present, and, according to reports every one had a jolly time.

When all had come that were expected and conversation had become general Professor Aldrich caused a hearty laugh by stepping to the center of the room and requesting the boys to keep their seats while he went out to look for his rubber deacons which disappeared from the laboratory one day last week. If one of the fellows wore some without rubber that night he was out of luck.

After several very interesting little entertainments which had been provided by Mrs. Aldrich the club was called to order for a short session of business by President Ray Lyman. Routine business was noted upon and officers elected for the ensuing year. Lloyd More was unanimously elected president and Miss Othohe secretary and treasurer. Two executive officers are yet to be appointed by the president. Entertainments were served while Professor Aldrich revolved the club with several violin solos. Vestal Hockett rendered several instrumental pieces after the refreshments which the children became very informal, passing away about a half hour of the time late in the evening by means of the Virginia reel. This over, the club dispersed to their various homes to dream sweet dreams of a happy time.

**DEBATE SOCIETY RECEIVES FUND**

Yesterday afternoon the Victor Price Debaters received the annual debate fund of thirty dollars. This fund was established last year by Mrs. Mabel E. Price of Chicago, mother of her husband, Victor Emmannuel Price, '06, who was one of Idaho's best debaters. He was the winner of both the Ridgeland and Dewey debate prizes. The fund is to be devoted to the purchase of books that will be helpful to the work of the Victor Price Debate Society and to other debate work of the University. Every book purchased with the fund contains a label that denotes its source and the date of its acquisition. As new books, which don't cost problems, are added, annually, this department will become one of the most valuable parts of the library.

**LEGISLATIVE COMMITTEE WILL ARRIVE HERE TONIGHT**

Committee Will Inspect the University—Members All From South—Special Assembly Called.

A telegram received at 8:30 this morning states that the legislative committee sent from Boise to inspect the educational institutions of the southern part of the state left the capital city yesterday, day afternoon at 2:30. They were expected to arrive here at 12:15 p.m., but failed to appear. They are to be here tonight on the 8:30 train.

Arrangements have been made to have the under bidders meet with the committee at the station.

Some they failed to arrive, they will probably be escorted tomorrow from the city to the campus by the boys in blue. Other arrangements have also been made providing for their reception. A special assembly will be held tomorrow at which the students may have an opportunity to meet the legislators.

The committee is made up of three state representatives and a senator all from the southern part of the state. The members are: Edward P. Pagiore (Dem.), Monticello, I. P. Hamlett (Rep.) and Lewis, representative from Lomhi county and J. M. Jayme (Dem.), Kimberly, representative from Twin Falls county.

The committee is accompanied by M. B. Lewis, president of the board of Regents and Dean W. L. Carlyle, head of the Agricultural college.

**FRESHES WIN MEET**

Second Indoor Meet Successful—Coach Van der Vear Pleased.

The freshman class came back strong on the second of the inter-class track meets and carried off highest honors in the event with 21 of the possible 63 points. The sophomores drew second place with 16 points to their credit.

The Juniors had to be satisfied with third on their 8 points. The Laws and Aggies tied for fourth place with six and six.

The seniors fortified their cellar position with a total of four.

The meet as a whole was well contested and Physical Director Van der Vear is more than satisfied with the showing made.

Some of the handicaps were a little unfavorable but the general total averaged up well. The freshmen, for instance lost first in the mile run by a heavy handicap, but won three points in the broad jump by the same means.

The first event was the 25-yard dash in which Davis won for the Sophomores in 3.25 seconds. Pierce counted three points for the Lawns in the second place. Johnson won the third place for the Laws.

The rope climb was won for the Freshmen by Garby making the ascent in 11.3 seconds. Freshman only trouble was that the climb

(Continued on Page 6)

**THE W. S. C. GAME FRIDAY**

Liveley Game on Pullman Floor—Train Will Be Held.

Idaho will clash with their old rival in a basket ball on the latter's floor next Friday night. The game promises to be a fast one, as there is always something doing when these two schools meet. The Idaho team has had a lot of good practice since the end of the game to Washington University and will give a good account of themselves. The Pullman team has also been making progress in the game and will present a much faster team than they would have a month ago. The Idaho team will line up with Curtis, Montgomery, Edmonds, Loux and ChangNON or Hockett.

Arrangements have been made for those who wish to go over to Pullman with the team. The G. F. & E. evening train will be held at Pullman so that the students can return immediately after the game. About thirty students have already agreed to make the trip, and probably a good many more will decide to go before Friday afternoon. There is a little secret in this connection—Idaho expects to win this game—but keep it dark. A good number of the students wish to be present to witness the glad event as well as to assist in the cheering.

The W. S. C. will hold an election of officers this afternoon, Mr. Clayton S. Cooper will address the glee on the subject of Bible study.

**PROF. MACCLANE IS JUDGE**

Head of Law School is Appointed to Judge in District Recently Created.

House bill No. 43 taking Owyhee county out of the seventh judicial district, placing it in the third district and providing an additional judge passed both houses of the legislature and was signed by Gov. Hawley last Thursday. The vacant judgeship will be filled by the appointment of Prof. J. MacClane head of the Law school of the university.

Prof. MacClane is a graduate of Yale and has been on thek department of the university was founded a year ago last September. The loss of his services in the law school will be keenly felt by all who are interested in the University, but his many friends will be pleased to learn of his recent appointment.

**EXECUTIVE BOARD MEETS**

Executive Board met last Thursday. It was the regular monthly meeting and the only business outside of the usual routine was the consideration of the reports of the various departments of the A. S. U. I. All the department made reports but they were pronounced incomplete by the board because they failed to give a record of the money paid out for each department by the treasurer of the student body. Another work was given the various departments in which to complete the reports. A special meeting will be held tomorrow afternoon, to hear them.

**SENIOR ELECTRICAL ENTERTAINED**

Last Friday evening Prof. and Mrs. S. E. Hutton entertained the senior electrical engineers at an informal dinner party. After dinner the time was very pleasantly spent at cards. The present were: Messrs. Lason, DeLacey, Jessup, Gray, Maguire, Voss and Cooper, etc. They all vote 2nd, and Messa Hutton most excellent host, and are ready for a repetition of the evening.

**Exam, Schedule, Quotations**

A temporary examination schedule was posted this morning. All conflicts must be reported in writing before Friday when the final arrangement will be made.
Neil Francis Lybarger---Is Third Number on Course.

The third number of the High School lecture course will be given next Monday evening, Jan. 30th at the M. E. church. The address will be Mr. Neil Francis Lybarger of Pittsburgh. He will deliver his famous lecture, "How to be Happy." Mr. Lybarger comes from the Rockway Lyman School of Pennsylvania and is most highly recommended. Professor Ed. Amherst U. says of him, "He is about the bravest man I know of. You are safe in recommending him to your best friends. He always makes good." The previous numbers have been excellent. This one will be equal to them. General admission 50 cts. Plenty of good seats.

A wool-pecker sits on a Freshman's head. And settled down to drill; He banded away for half a day, And then he broke his bill.—Ex.

Rayputline, '12, is unable to be out on anything of an attack of lupinog. J. O. Griffith went to Lewiston Friday to referee the High School Normal basketball ball game. Miss Grace McNeilly returned to her home at Harrison, Monday morning after a three weeks visit with Moscow friends.

Idaho Man Promoted.

Howard David, '09, is making good. He received the degree of B.S. (E.E.) from the University last spring. The following was clipped from a Fort Wayne paper:

Fort Wayne, Ind., Jan. 9.—H. J. David of the Fort Wayne Electric Works, assumes his new duties today as traveling salesman., Mr. David has been with the electric works for the past year, coming here at that time from the University of Idaho and accepting a position in the construction department. His territory will embrace the entire state of Indiana and he will have charge of the sale of supplies. He will continue to make his headquarters in Fort Wayne.

Wahlorf stops falling hair.

You will find the best shaving and haircuts that are manufactured at the Hotel Moscow Barber Shop.

See those $1.00 Men's shoes, sold for $1.85 at the Hub.

To keep your complexion free from blackheads, chapping, roughness of the skin, tan and other annoying blenchles, go to Hegge's Barber Shop and get your face massaged. Electric Vibrator priced 34.95.

You can get a fine flannel shirt for $1.05 at the Hub,

First class and up-to-date and strictly sanitary in the Hotel Moscow Barber Shop.

Boys get your hat at the Hub. The price is only half.

Prof. Collens Delights Boise Audience.

Professor E. Hellier-Collens, who was engaged by director G. O. Broach of Boise to be concert master of the Symphony Orchestra during the Christmas holidays and to play the great solo in the seventh DeBeriot concerto, which takes twenty-five minutes to render, created great enthusiasm among the music lovers of the capital city. His work was a great advertisement of the music department of the university; already young people of Boise recently signified their intention of coming here for the advantages offered in that department. After Prof. Collens' solo he received an ovation, being recalled three times. In a criticism of the concert the Boise Statesman says:

"Mr. Broach was fortunate in the choice of soloists. Prof. Collens, in his rendition of the seventh DeBeriot concerto, exhibited a careful and even brilliant technique, a trueness of tone and intelligent interpretation. He may be said to be more academic than otherwise in his conception but he presented a charming personality and with no striving after effect held his large audience throughout. He was enthusiastically acclaimed and responded with a dainty composition of his own which he was compelled to repeat."
At the Crystal Theatre.

This week that old and ever great temperance play, "Ten Nights in a Bar Room" with the Stutts big company of players in the production. The representation was given in a realistic manner, a perfect bar and saloon giving a true picture of the fruits and products of King Alcohol, showing how like a cyclone his Satanic Majesty dashes in his devastating wake degradation, poverty, crime, and the destruction of man's immorality.

The play by the Rev. T. S. Arthur, is undoubtedly one of the strongest mediums the temperance cause has ever had, and ought to be given at all times the care and perfect production the Stutts players have given it. Mr. Stutts, as the degraded drunkard, was simply perfect, while in his reformation he came forth equal to an evangelist. Mr. G. K. Robinson, an old favorite, representing the miller and fallen landlord, was also an excellent piece of acting. Walter King took a jump from lovers serious parts to Yankee comedy. Well, King, as a comic drunk you are all right. The play was with Captain Jason as commander, recommends each member and their art to the good citizens of Moscow, hoping they become Argonauts and ever sail in clear sea.

Thursday, Friday, and Saturday the "Second Mrs. Tanqueray," an English club play, with Aggie M. Stutts as Mrs. Tanqueray. Mr. Stutts did not recommend the play as something new. The company did good work. We have nothing to say as to the great British society. The play in itself is a classic work of its kind.

Next week "The American Steer." The company has made acquisitions in the persons of Mr. Robinson and Mr. Karl Clinton. Yours truly.

MINERVA.

O. A. C. News Letter.

O. A. C., January 18, 1911.

Basketball is the main sport here now. The class championship series is over, it having been won by the Juniors. The Varsity squad is getting into fine condition, and much is expected of it this year.

Official indoor basketball, something new this year, will soon be in full swing also. Several teams are being organized by the fraternities and different clubs. This will keep the Varsity basketball men and other athletes in good trim between seasons.

On Friday, January 20, comes the Junior play, "Brown of Harvard." The class has worked hard and faithfully with it, and the result will undoubtedly be a great success.

Everything is in readiness for the big military tournament Saturday night, January 21st. There are to be parade competitive drills, wall scaling and other novel features. After the military program will come an informal dance in the gymnasium. Through the hard work and hearty support of Major MacAlexander the affair promises to be a huge success.
PREP PLAY EXCELLENT

Performances Well Attended—Talent Shown—College Orches-
tra Played.

The two performances of the play, "Mr. Bob," by the Prepara-
tory department were both well pre-
pared and were quite well att-
tended. The matinee at 3:15 p. m., drew a comparatively good
crowd, but by no means as large as
that which came in the evening.
Excellent music was furnished
both in the afternoon and evening
by the college orchestra.

Between acts there was a Rus-
sian dance given by sixteen boys
of the Preparatory department.
At each performance, the boys
were encored and gave the entire
exhibition a second time. It was
well done. They danced with
the music almost perfectly and
preserved their alignment re-
markably well. The dance cer-
tainly "made a hit" with the
audience.

The play is a comedy in two acts.
Its humor depends upon
numerous cases of mistaken iden-
tity and ridiculous predicaments
into which the characters get thru
attempted deception.

Every one of the players de-
serves commendation. They all
did their very best. Miss Rebecca Lake
was a perfect old maid. She
couldn't have acted the part more
naturally. Her niece, Kathryn
Rogers, was a typical American
college girl, fitted with life and
enthusiasm. Kathryn's cousin,
Philip Royson, showed the car-
earnestness of a man just out of col-
lege, and shouldering the burden
of a business life. He was per-
fectedly at home on the stage.
Marion Bryant, Kathryn's chum
soon as she later appeared, was
also a friend of Philip. She was
another American college girl. She
acted well the part of the impetuous
fun-loving girl, who is always
bright and cheerful. Mr. Robert
Brown was a clerk of a firm of
lawyers. The part was extremely
difficult but was very well acted.
The two servants offered much
amusement to the audience.
The part of the butler with its solemn
dignity, was especially good. The
servant gave himself up to it com-
pletely, and showed some natural
ability. And finally, Patty the
maid, added greatly to the life and
action of the play. Her passion
for the stage was shown naturally
but forcibly and her dramatic
expression was excellent.

The actors showed careful pre-
paration and thorough drilling.
No prompting was required at
either performance. In fact the
whole play was presented far
better than the Preparatory
performance and even better than
some we have seen presented in
Moscow by professional companies.

Cost of Characters:
Miss Rebecca Lake, a maiden
lady—Lena Taylor
Jenkins, her butler, Orson Dixon
Patty, her maid.—Ora Hansen
Kathryn Rogers, her niece—
Gladye Nuckerring
Philip Royson, her nephew—
Charles Sarkis
Marie Bryant, Kathryn's
friend.—Lillian Carithers
